FRONTIERS IN ONCOLOGIC PROSTATE CARE AND ABLATIVE LOCAL THERAPY

F CAL + 2024

OCTOBER 17 - 19, 2024

Manchester Grand Hyatt San Diego • San Diego, California

FOCAL + 2024

FRONTIERS IN ONCOLOGIC PROSTATE CARE AND ABLATIVE LOCAL THERAPY (FOCAL +) COURSE

INVITATION

Dear Industry Colleagues,

On behalf of Dr. Arvin George and Dr. Abhinav Sidana, Course Directors, we invite you to join us at the Frontiers in Oncologic Prostate Care and Ablative Local therapy (FOCAL) Course that will be held October 17–19th at Manchester Grand Hyatt San Diego.

This comprehensive 3-day program offers a forum to share current practice standards and to incorporate new strategies in the management of patients with prostate cancer and benign prostatic hyperplasia in a rapidly evolving field. Along with the didactic presentations encompassing “cutting edge” topics, there will also be Hands-on courses focused on In-office transperineal interventions, Fusion-guided ablation, and BPH management. We are also excited to introduce an Advanced Prostate Cancer Masterclass, which will empower urologists to manage patients with advanced and metastatic prostate cancer.

Partnering with us through exhibit or sponsorship at the 2024 FOCAL + Course will allow you to network with 150-250 urologists and expert faculty in a relaxed setting that allows ample time for networking and discussion. Industry partners and exhibits are an essential part of our meeting’s success and our attendees will be eager to learn about your company’s products and services that can assist them in improving the care of their prostate cancer patients.

Thank you for your consideration of our request for participation; we look forward to receiving your commitment. If you have any questions, please contact Tyler Gillespie, Tgillespie@veritasamc.com or 847-920-6573.

Kind Regards,

Tyler Gillespie

Tyler Gillespie
Account Manager, Industry Relations

SPONSORSHIP INFORMATION

Exhibit Space Reservations

Companies wishing to exhibit must submit a completed Exhibit Registration Form with method of payment indicated on the form. Exhibits provide an enhanced experience to participants and provide useful information about developments, products, and services related to their interests and responsibilities. Products or services displayed must further the purpose of the meeting and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference.

Why Participate?

- Reach your target audience economically and time effectively
- Engage with community-based and academic urologists
- Network with prominent clinicians and key decision makers
- Enjoy unopposed Exhibit Hall hours
- Take advantage of educational sessions and learn about the current needs of urologists
